Mark Your Calender Important Days

"Live as if you were to die tomorrow. Learn as if you were to live forever."
- Mahatma Gandhi

World Cerebral Palsy Day!

Today, we commemorate the remarkable strength, resilience, and extraordinary capabilities of individuals living with cerebral palsy. Let's increase awareness and demonstrate our solidarity with those who confront distinctive challenges on a daily basis. The 7th-grade students presented a captivating skit to convey the message that disability is not a hindrance to achieving success.

Workshop

Technology will not replace exceptional educators, but when placed in the capable hands of great teachers, it can be truly transformative. S.N.V.P recently organized a workshop for its teachers, featuring Mr. Rajat Krishan from Dream Next Education as the resource person. During the workshop, Mr. Krishan enlightened the teachers about effective teaching strategies, with a primary focus on Bloom's Taxonomy. He provided a thorough understanding of its components in a meticulous manner.

The workshop encouraged practical application of the content, and it saw active participation from all the faculty members. The session concluded with a heartfelt Vote of Thanks from our esteemed principal. Overall, the session was highly enjoyable and provided clear, informative instructions on how to work toward achieving our educational goals.

Seminar

FITZEE, under the guidance of School Principal Dr. Ritu Rajvanshi and Academic Director Nazish Jamali, hosted a notable seminar at Shantiniketan Vidyapeeth on October 7, 2023. The event centered around addressing the promising future of children and providing solutions to students' challenges. This was

achieved through the collective efforts of a team of seasoned educators and experts. Their aim was to empower students while offering valuable insights and guidance on a wide array of career opportunities.

"Best Out Of Waste"

Today, a "Best Out of Waste" activity was arranged, engaging students from all classes. They crafted a variety of appealing items from discarded materials, showcasing their remarkable creativity. Consequently, we pledge today that it is incumbent upon each of us to maximize the potential of waste materials and uphold the principle of making the best out of waste.

Story Telling Workshop

Our school had the honor of hosting a captivating storytelling workshop led by the skilled author Mr. Kanav Agnihotri. This event proved to be a rewarding and unifying experience, bringing students and teachers together to embark on a journey into the enchanting world of storytelling. During the workshop, students were inspired to set their imaginations free, writing their very own short stories while exploring different genres and writing styles. This creative endeavor not only nurtured empathy but also enriched

communication, enabling us to forge meaningful connections with others.

Conference

The Amrita Vishva Vidyapeetham and Dainik Jagran have organised a well programmed conference in Meerut, with the agenda to motivate and for guiding our laborious student to choose the most appropriate field of education and to choose their best suitable University, Their special focus was on to provide information regarding what to choose and how to choose. Our students have attended the conference and have gained well knowledge for the same.

Navratri

Navratri, a nine-day festival observed throughout the nation, entails the worship of the nine divine forms of Goddess Durga, which include Shailaputri, Brahmacharini, Chandraghanta, Kushmanda, Skandamata, Katyayani, Kalaratri, Mahagauri, and Siddhidatri.

The sight of young girls dressed as the Navdurga incarnations contributed to the sacred atmosphere, and the recitation of shlokas by each Durga manifestation was both indescribable and marvelous.

Wishing you all a joyous and blessed Navratri!

MOCK DRILL AT SHANTI NIKETAN VIDYAPEETH*

Conducting mock evacuation drills in schools plays a vital role in training students to respond effectively to various natural disasters and emergencies. These drills instill in students the significance of preparedness and teach them how to evacuate safely in the event of unforeseen circumstances, such as earthquakes, fires, and other emergencies. Implementing these drills is a proactive measure aimed at ensuring the safety of both students and staff during unexpected crises, thus contributing to the overall well-being of the school community.

In a recent drill, when the *FIRE ALARM* sounded, students promptly left their belongings and efficiently evacuated the school in *UNDER A MINUTE*. They gathered in the playground under the supervision of their teachers. Principal *Dr. Ritu Rajvanshi* addressed the students, emphasizing the importance of preparedness for such situations and imparting the guiding principle that in any emergency, the top priority should always be 'Be safe, keep others safe.'

Sophiantechodyssey

S.N.V.P made a remarkable showing at #sophiantechodyssey2k23#. Our class XI student, Siya Chhabra, emerged victorious in a unique event called 'No Prep Prose,' where the fusion of eloquence and spontaneity takes center stage. This verbal showdown involves the art of addressing intriguing topics drawn at random. Contestants must skillfully navigate the complexities of speech, defending their narratives while also seizing opportunities to interrupt their rivals for any linguistic missteps. Siya Chhabra's win in this competition was nothing short of exceptional.
